Regent at Stowe

Impressive and stimulating

Our residential summer camp at Stowe provides students with the experience of a lifetime, in an amazing environment for learning and personal development.

Stowe School is very special. We use the stimulating educational environment to heighten our students' learning using the arts, culture, architecture and sculptures found in the school and grounds.

The exceptional Stowe School is one of England's most prestigious boarding schools and is set in 750 acres of outstanding parkland. It was home to England's wealthiest man, the Duke of Buckingham, who often entertained the King at Stowe. The parkland around the house was developed into landscaped gardens which are now some of Britain's finest. The network of paths shows off the numerous temples, sculptures and lakes that fill the landscape. It also has impressive sporting and leisure facilities.

Stowe is the perfect setting for learning.

Conveniently located

Stowe is easily accessible – it is 6km from the town of Buckingham, 45 minutes from Oxford and 90 minutes from London. The closest airport is London Heathrow. Students arriving at Heathrow or Gatwick on our start dates and during our pick up times are brought to Stowe by coach or taxi.

Living on campus

Stowe is a very safe and secure environment. Students have a single room or share with different nationalities. Each residence has a Common Room that students use to chat and relax in. All meals are taken in the impressive State Dining room in the Stowe mansion, except on excursion days when packed lunches are provided. We operate a banking service for pocket money and lockable storage facilities for valuables. Staff are residential and live on site to ensure 24 hour supervision and care.

Releasing energy and talent

All students have an activity session filled with a variety of sports or other activities. Typical sports in the grounds include rugby, football and basketball and we also use the swimming pool, sports hall, astroturf and tennis courts. Activities can also include swimming, netball, volleyball, badminton, rugby, football, basketball, dance, nature walks, cooking, craft, art, clay modelling and more.

Gaining knowledge and culture

Each week we take students on a half day excursion to a local place of interest, and a full day Saturday excursion to great cities like Oxford, Cambridge or London, or to Shakespeare's birthplace, Stratford upon Avon. We prepare students in advance with briefings and observation tasks.

An international environment

Students at Stowe have a truly international experience.

Learning with Regent

Regent was established over 50 years ago in 1964 by a passionate, experienced teacher who ran his first summer school in 1965. Our core values shine through our programmes:

Positive

We believe that everyone can learn to use English proficiently; we push each student to become an effective communicator. We create a positive, enjoyable environment praising effort and attitude and encouraging every individual to achieve their best.

Inclusive

Every student is in several different classes or teams. We arrange whole course activities so that students quickly feel part of the group, and can connect meaningfully with staff and other students.

Results focused

Our courses are educationally-led and designed to ensure robust progress. Daily homework sessions and weekly tests help students to set goals and visualise progress. They create a learning portfolio throughout their stay to record results and achievements. At the end of the course students receive a Certificate and progress report.

What's included:

Full board accommodation, tuition and supervised activity programme including 1 full day and 1 half day excursion per week, Certificate of Achievement.

Transfers: For arrivals into Heathrow and Gatwick airports we provide a group pick up and welcome lounge on our start and finish dates.

Assistance: A 24 hour emergency contact line is in place throughout the duration of all courses.
