

Distance Learning English courses taught live by Regent teachers

Distance Learning

One-to-one Distance Learning courses offer the learner a programme which is designed precisely to their own unique requirements. In this way, the learner makes the maximum possible progress because the teacher is able to focus on their needs and their personal learning style in each lesson.

- The course content is tailored to personal academic or professional objectives.
- Special attention is paid to individual areas of interest and learning style.
- The time is used efficiently, concentrating on what is of highest personal priority.
- Tutor and student work on a personal action plan.
