

The English World Course

Essential English language skills

- Improve your accuracy and fluency in English
- Enhance your life skills by developing your confidence in English
- Small study groups of maximum 6 per class
- Minimum age is 16 years

Outcomes

Increased confidence
More accurate in written and spoken English
More able to interact/communicate

Course programme

The programme includes sessions which give the learner the tools they need to operate confidently and successfully when using English as an international language.

The **Skills Training** sessions provide practice in writing, in listening comprehension and in reading comprehension. This includes the development of vocabulary and how to structure a piece of written work for either academic or professional purposes.

The **Accuracy in Grammar** session perfects core grammar skills and works on the eradication of common errors. Students are given individual preparation time before the session in order to prepare the session content.

In the **Language Focus** builds reading, writing and vocabulary use in authentic contexts such as academic essays or written reports or emails for business purposes.

In the **Spoken Performance** session, the learner develops confidence and skills in a range of speaking situations.

Course content

This intensive course comprises 20 hours of study per week. This enables you to develop your all-round skills, as well as allowing special focus on specific areas of interest. Outside of lesson times, students can make use of quiet areas to do preparation tasks or independent study.
